Today's kitchen is all about a well-planned space that makes cooking a completely interactive experience among family and friends.

CANDICE OLSON  
Interior Designer

Everything happens in the kitchen. Life  
happens in the kitchen.

ANDREW ZIMMERN  
Chef

Our products are made of the finest components. Feature standard with our cabinets are high priced upgrades in most other cabinet lines. Quality is at the heart of all of our cabinets.

Our 65,000 square foot warehouse of inventory in the Phoenix Area and our

55,000 square foot warehouse in the Denver Area allows us to ship flat pack or assembled nationwide. Most orders are ready to ship in 5 to 7 days!

We design, manufacture and assemble our cabinets with top grade components, providing the best possible prices anywhere. There is no middleman and no one beats our prices! For more information, visit our website.

# CABINET FEATURES

## LIMITED LIFETIME WARRANTY

Cabinets Southwest extends the following limited lifetime warranty ("Limited Warranty") to the original Purchaser ("You" or "Your") of a cabinet or vanity distributed by Us (each, a "Product"). This Limited Warranty is only applicable to Products sold to the original Purchaser. We warrant to You that each Product will be free from defects in material and workmanship, under normal use and maintenance, for the applicable warranty period.

### What Does the Limited Warranty Cover?

Subject to the exclusions and limitations set forth in this Limited Warranty, We warrant to You that each Product will be free from defects in material and workmanship, under normal use and maintenance. The warranty period for Your Product is for as long as You own the dwelling or structure in which Your Product was originally installed.

### The Limited Warranty does not apply to Products that are:

1. installed or used outdoors;
2. used for purposes for which it is not designed or intended by Us;
3. which has been subjected to misuse, vandalism, abuse, negligence, accident, or unauthorized modifications;
4. which has been improperly stored (if the Product must be stored, it should be covered and stored in a humidity and temperature-controlled environment, away from direct sunlight);
5. which has been improperly installed, cleaned, or maintained (for more information regarding the proper use and care of the Product, please consult the applicable Use and Care Instructions that accompanied the Product).
6. which has been subjected to improper temperature, moisture and/or humidity extremes.
7. damaged by fire, flood, acts of God, or other external causes beyond our control; and/or
8. exhibiting normal wear and tear.
